

Maroon5 She will be love

3CAPO

(전주)

Am G Am G

Am G

Beauty queen of only eighteen

Am G

She had some trouble with herself

Am G

He was always there to help her

Am G

She always belonged to someone else

Am G

I drove for miles and miles

Am G

And wound up at your door

Am G Am

I've had you so many times but somehow

G

I want more

C G

I don't mind spending everyday

Am G

Out on your corner in the pouring rain

C G

Look for the girl with the broken smile

Am G

Ask her if she wants to stay awhile

C G

And she will be loved

Am G

She will be loved

Am G

Tap on my window knock on my door

Am G

I want to make you feel beautiful

Am G

I know I tend to get insecure

Am G

It doesn't matter anymore

Am G

It's not always rainbows and butterflies

Am G

It's compromise that moves us along

Am G

My heart is full and my door's always open

Am G

You can come anytime you want

C G

I don't mind spending everyday

Am G

Out on your corner in the pouring rain

C G

Look for the girl with the broken smile

Am G

Ask her if she wants to stay awhile

C G

And she will be loved

Am G

She will be loved

Am

I know where you hide

G

Alone in your car

Am G

Know all of the things that make you who you are

Am G

I know that goodbye means nothing at all

Am G Am

Comes back and begs me to catch her every time she falls...

Am G

Tap on my window knock on my door

Am G

I want to make you feel beautiful

C G

I don't mind spending everyday

Am G

Out on your corner in the pouring rain

C G

Look for the girl with the broken smile

Am G

Ask her if she wants to stay awhile

C G

And she will be loved

Am G

She will be loved
